

Little Spearfish Conservation and Historic Preservation Association

The LSC&HPA was formed in 1996 to save this special place from being subdivided and developed. The property was the homestead of Charles and Betty Anderson, early settlers to the Black Hills and immigrants from Gullspang Sweden and Vasa, Finland, respectively.

The Association is a Non-Profit 501 (c) (3) corporation with Federal tax exempt status (Tax ID 31-1587760) and a recognized corporation in the state of South Dakota. We have a Board of Directors.

The bylaws state three objectives of the Corporation:

- 1) conserve and to protect the water quality of the headwater springs of Little Spearfish Creek,
- 2) preserve the historical property, and
- 3) to promote environmental education.
